

STEP 1

Release latches and flip open.

STEP 2

Raise back panel.

STEP 3

Straighten side panels, and push inner tabs on each side until a click is heard. Once clicked, the side panels will stand on their own.

HOW TO COLLAPSE

Push the button while holding the textured tabs to allow the clips to release. Once the clips are released, collapse the side panels.

STEP 4

Close the front panel and secure top latches.

Guide both side panels into the door frame.

Key in notches beneath latches.

Secure latches in place by locking backs of latches into notches.

Press down on latches until they click.
